

St. Mary's Church, Wimbleton Funeral/Memorial/Thanksgiving Flowers

Our team of experienced flower arrangers are responsible for all the floral decorations within St. Mary's throughout the year including Sunday services, Festivals, weddings, and funerals. Outside florists may not be used.

As a working church the Christian festivals of Christmas, Easter and Harvest (early October) are observed and on these occasions the church has extensive floral decorations. If your service coincides with one of these the arrangements cannot be personalised.

Flower arrangements (based on seasonal flowers):

Altar pedestal	£150
Standard Chancel steps (each)	£120
L-shaped Chancel steps (each)	£130
West Porch pedestal	£140
Festival flowers (fixed charge)	£100

(Prices subject to change dependent on market fluctuations)

Pedestals can also be provided for receptions in the Garden Hall.

Use of our artificial flower pedestals at Altar and/or West Porch are chargeable at £30 each.

We are not able to supply coffin tops, or any other arrangements for your reception elsewhere, but can recommend local florists who will be able to help you with your requirements. **All arrangements must remain in the church.**

To discuss the arrangements and flowers you would like for your service please contact:
